

ISO 9001: 2015 INTERNAL AUDITOR

Internal auditing is one of the fundamental activities for maintaining a Management System and assessing compliance with specified requirements.

And with Continual Improvement being one of the key Quality Management Principles of ISO 9001, internal auditing goes beyond compliance and becomes one of the key drivers of business improvement.

This 2 day CQI and IRCA Certified ISO 9001 Internal Auditor training course is designed to teach individuals to plan and conduct internal QMS audits, and to play a full and active role in:

- ensuring the adequacy of a Quality Management System (QMS)
- ensuring that the system is in conformance with ISO 9001:2015
- managing the effectiveness of the documented system and efficiency of the operation
- identifying opportunities for process and business improvement
